Visa Debit Card Terms and Conditions

Product Benefits, Features and Risks

The Visa Debit Card is a non-cash payment facility that can be used to perform transactions on your linked account(s). The *Terms and Conditions for Deposit Accounts* details accounts that a Visa Debit Card can be linked to.

The Visa Debit Card is not a credit card. The Visa Debit Card provides access to your transaction account(s) with us. You will need to ensure you have sufficient available funds in the linked account(s). If a linked account has an overdraft attached to it, the overdraft is accessed when there are insufficient savings to cover the purchase/withdrawal.

The Visa Debit Card enables you to:

- withdraw cash at an ATM displaying the Visa logo;
- make purchases;
 - at all retail outlets which accept Visa Card or EFTPOS; or
 - over the phone or Internet.
- pay bills over the phone, counter or Internet;
- obtain a cash advance over the counter from any bank that displays the Visa logo;
- undertake transactions at our branches.

Risk

PIN and card security is paramount with a Visa Debit Card. Unless the proper precautions are taken, there are risks that your Visa Debit Card may be lost, stolen or used without your permission. There are also inherent risks associated with EFT Transactions. Although we take all precautions, the security of electronically initiated transactions can never be guaranteed.

You may be liable for unauthorised use of your Visa Debit Card. You should carefully read the Visa Debit Card Conditions of Use set out later in this document for your liability for unauthorised use of the Visa Debit Card and ways you can minimise the risk of a security breach, particularly the section headed “Important” at the beginning of the Visa Debit Card Conditions of Use and clauses 4 and 17.

Sufficient cleared funds to cover all outstanding or pending transactions must be kept in your account at all times. Failure to keep sufficient cleared funds in an account could lead to a transaction being declined or overdrawing a linked account. Fees and charges may apply in these situations.

Fees and Charges

Details regarding any fees and charges applicable to our Visa Debit Card are detailed in our *Fees & Charges Deposit Accounts* brochure.

Periodic Transaction Limits

Your combined ATM and EFTPOS daily withdrawal limit is \$1,000 AUD per Visa Debit Card. This means you can use your Visa Debit Card to withdraw a total of \$1,000 AUD per day from your linked account(s) provided it contains sufficient cleared funds. Separate limits apply to customers under the age of 18 years and these are available upon request.

In the event of a system failure the daily withdrawal limit is \$1,000 AUD. Other third party organisations may impose additional restrictions on the amount of funds that may be withdrawn, transferred or paid.

Merchant surcharges

Some overseas Merchants, Automatic Teller Machines and EFT Terminals charge a surcharge for making EFT Transactions. Australian merchants are permitted to levy a surcharge for Visa transactions.

You should ask whether any surcharge applies, and the amount of any surcharge, before confirming the transaction. Once you have confirmed a transaction you will not be able to dispute the surcharge.

Visa Debit Card Conditions of Use

Important: These Conditions of Use take effect on and from 28 November 2016 except as otherwise advised in writing and replace all Visa Debit Card Conditions of Use previously issued.

You should follow the guidelines below to protect against unauthorised use of the Visa Debit Card and PIN. These guidelines provide examples of security measures only and will not determine your liability for any losses resulting from unauthorised EFT Transactions. Liability for such transactions will be determined in accordance with clause 17 of these Conditions of Use and the ePayments Code.

The use of a Visa Debit Card by the cardholder will automatically constitute the acceptance of these Terms and Conditions.

Guidelines for Ensuring the Security of the Visa Debit Card and PIN

- Never let your Visa Debit Card leave your sight when paying for goods or services or if transacting using a digital wallet, your mobile phone or other electronic device, particularly when travelling overseas - always tap or swipe your card yourself.
- Never use a PIN that uses details from information that may be kept with or near your Visa Debit Card.
- Never give your PIN to anyone, including callers who say they are from MyState. We will never ask you for your PIN.
- If you are expecting a new or replacement Visa Debit Card in the mail and the card doesn't arrive in your mailbox, advise us immediately.
- Sign the Visa Debit Card as soon as you receive it and destroy old cards once expired (cut the card into small pieces, making sure you cut through the chip and the magnetic strip).
- Keep the Visa Debit Card in a safe place.
- If you change the PIN or access code you must NOT select a PIN or code which represents your birth date or a recognisable part of your name, your customer or account number, telephone number, or an obvious combination of letters and numbers which can be easily guessed by someone else.
- Never write the PIN on the Visa Debit Card, and never keep your PIN in obvious places such as your wallet or handbag, near your telephone or on your computer terminal.
- Never record your PIN on items that you keep or carry with your Visa Debit Card, such as your mobile phone, diary or address book. If your bag is stolen, not only will the fraudsters have your Visa Debit Card, they will also have your PIN.
- Never lend your Visa Debit Card to anybody, including family and friends. The Visa Debit Card is issued for your exclusive use only.
- Never tell or show the PIN to another person. If you suspect someone else might know your PIN you must contact us immediately.
- Use your hand or purse to cover the keypad when entering your PIN. Be aware of attempts to distract you, such as standing too close as you enter your PIN.
- Immediately report the loss, theft or unauthorised use of the Visa Debit Card to the Visa Card Hotline Australia-wide toll free 1800 648 027 or from overseas +61 2 8299 9109.

- Keep a record of the Visa Debit Card number and the Visa Card Hotline telephone number for your area with your usual list of emergency phone numbers.
- Monitor your linked account via Internet and Phone banking.
- Examine your periodical statement immediately upon receiving it to identify and report, as soon as possible, any instances where the Visa Debit Card has been used without your authority.
- Notify us immediately if you change your address or contact details.

You must ensure that your Additional Cardholder signs the Visa Card issued to them immediately upon receiving it and before using it.

4. Protecting the PIN

- a. We will provide a PIN to use the Visa Card with certain Electronic Equipment. You agree to protect this PIN as a means of preventing fraudulent or unauthorised use of the Visa Card.

If you change the PIN, you must not select a PIN which represents your birth date or a recognisable part of your name, your account, customer number, telephone number or an obvious combination of letters or numbers which can be easily guessed by someone else. If you do use an obvious PIN such as a name or date you may be liable for any losses which occur as a result of unauthorised use of the PIN before notifying us that the PIN has been misused or has become known to someone else.

5. Using the Visa Card

- a. You can conduct transactions up to AUD\$35.00 without entering your PIN or signing as long as these transactions are conducted face-to-face at a participating merchant outlet. The merchant must provide you with a receipt for the transaction if you request.

- b. If you have been issued with a Visa Debit payWave Card which is identifiable by the payWave logo, you will be able to make faster purchases. Instead of swiping your card as you always have, you will just

need to tap your Visa Card or if your card is registered to use a digital wallet, your mobile phone or other electronic device, against the contactless reader. Payments using the payWave functionality can only be made at a participating merchant outlet and if your purchase is under AUD\$100.00. If your purchase is equal to or over AUD\$100.00, you will still need to enter a PIN. The Visa and MyState security systems continue to protect you from unauthorised transactions. The same conditions apply to your Visa Debit payWave transactions as your other Visa Card transactions.

- c. A purchase transaction performed by pressing the 'CR' button will enable you to take cash out - a PIN will always be required for these transactions.
- d. The Visa Card may only be used to perform transactions on your Linked Account(s). We will advise you of the accounts, including any credit facility, which you may link to the Visa Card.
- e. We will debit your Linked Account(s) with the value of all transactions, including sales and cash advance vouchers arising from the use of the Visa Card (including all internet, mail or telephone orders placed by quoting the Visa Card number) and all other EFT Transactions, or credit your Linked Account(s) with the value of all deposit transactions at EFT Terminals.
- f. We will advise you from time to time:
 - 1. what EFT Transactions may be performed using the Visa Card; and
 - 2. what EFT Terminals of other financial institutions may be used.
- g. Transactions will not necessarily be processed to your Linked Account on the same day.

6. Using the Visa Card outside of Australia

- a. All transactions made overseas on the Visa Card will be converted into Australian currency by Visa International, and calculated at a wholesale market rate selected by Visa from within a range of wholesale rates or the government mandated rate that is in effect one day prior to the Central Processing Date (that is, the date on which Visa processes the transaction).
- b. All transactions made overseas on the Visa Card are subject to a currency conversion fee. The amount of this currency conversion fee is detailed in the *Fees & Charges Deposit Accounts* brochure and is subject to

change from time to time. We will advise you in advance of any such change.

Once you have confirmed the transaction you will not be able to dispute the exchange rate applied.
- e. Before travelling overseas, you or your Additional Cardholder should consult us to obtain the Visa Card Hotline number for your country of destination. You should use the Visa Card Hotline if any of the circumstances described in clause 18 apply.
- f. If you are travelling overseas, we request that you advise us of your travel details including departure, return dates and destinations so that we are aware that overseas transactions will be processed on your account(s).
- g. A cardholder must comply with all applicable exchange control and tax laws governing the use of the card and you indemnify us against liability, loss, fees, charges or costs arising as a consequence of a failure to comply with them.

7. Verified by Visa

Important: This section of Conditions of Use applies to the Verified by Visa service and the Verified by Visa transactions conducted on your account. In addition to these Conditions of Use, all other terms and conditions that apply to your Visa Card and account still apply. This section of Conditions of Use govern the Verified by Visa service and form the agreement between you and us regarding the use of the service, so please read them carefully. To participate in the Verified by Visa programme, you may be asked to verify personal details we hold in order to complete the transaction. Should

The information that you provide may be validated against information we hold about you and may be validated against information held by third parties.
3. If you are unable to provide the requested information to validate your identity, or if the information you provide is inaccurate or incomplete, or if the authentication process otherwise fails, the merchant may not accept your Visa Card or payment for that transaction and you may be unable to complete an online transaction using your Visa Card.

1. You will know that an online merchant is a participating online merchant because you will see the Verified by Visa logo and you may be asked to verify your identity before completing an online transaction with that merchant.
2. We do not endorse or recommend in any way any participating online merchant.
3. Your correspondence or business dealings with, or participation in promotions of, online stores through Verified by Visa, including payment for and delivery of related goods or services not purchased via Verified by Visa, and any other terms, conditions, warranties or representations associated with such dealings, are solely between you and the online store.  2. unreasonably delaying in notifying us or the Visa Card Hotline of the misuse, loss or theft of the Visa Card or of the PIN becoming known to someone else and the loss occurs between the time you or your Additional Cardholder did, or reasonably should have, become aware of these matters and the time you notified us or the Visa Card Hotline.

However, you will not be liable for:

 - 1. \$150;
 - 2. the actual loss at the time of notification to us or the Visa Card Hotline of the misuse, loss or theft of the Visa Card, or of the PIN becoming known to someone else (except that portion of the loss that exceeds any daily or periodic transaction limits applicable to the use of your Visa Card or your Linked Account); or
 - 3. the balance of your Linked Account, including any prearranged credit.
- e. If, in cases not involving EFT Transactions, the Visa Card or PIN are used without authority, you are liable for that use before notifying us or the Visa Card Hotline of the unauthorised use, up to your current daily withdrawal limit.
- f. Notwithstanding any of the above provisions, your liability will not exceed your liability under the provisions of the Electronic Funds Transfer Code of Conduct, where that code applies.

19. Steps you must take to resolve errors or disputed EFT transactions (including Verified by Visa transactions)

- a. If you believe an EFT Transaction is wrong or unauthorised or your periodical statement contains any instances of unauthorised use or errors, immediately notify us. Later, but as soon as you can, you must give us the following information:
 1. your name, account number and Visa Card number;
 2. the error or the transaction you are unsure about;
 3. a copy of the periodical statement in which the unauthorised transaction or error first appeared;
 4. an explanation, as clearly as you can, as to why you believe it is an unauthorised transaction or error; and
 5. the dollar amount of the suspected error.

If your complaint concerns the authorisation of a transaction, we may ask you or your Additional Cardholder to provide further information.

- b. We will investigate your complaint, and if we are unable to settle your complaint immediately to your and our satisfaction, we will advise you in writing of the procedures for further investigation and resolution and may request further relevant details from you.

- c. Within 21 days of receipt from you of the details of your complaint we will:
1. complete our investigation and advise you in writing of the results of our investigation; or
 2. advise you in writing that we require further time to complete our investigation.
 3. We will complete our investigation within 45 days of receiving your complaint, unless there are exceptional circumstances.
- d. If we are unable to resolve your complaint within 45 days, we will let you know the reasons for the delay and provide you with monthly updates on the progress of the investigation and our likely resolution date, except where we are waiting for a response from you and you have been advised that we require such a response.
- e. If we find that an error was made, we will make the appropriate adjustments to your Linked Account including interest and charges (if any) and will advise you in writing of the amount of the adjustment.
- f. When we advise you of the outcome of our investigations, we will notify you in writing of the reasons for our decision by reference to these Terms and Conditions and the ePayments Code and advise you of any adjustments we have made to your Linked Account. Should you remain unhappy with the decision, you have the right to have your claim dealt with by the Financial Ombudsman Service (FOS). Details of this service can be found at: www.fos.org.au
- FOS can be contacted on:
Telephone 1300 780 808 (toll free Australia wide)
Fax 03 9613 6399

- g. If we decide that you are liable for all or any part of a loss arising out of unauthorised use of the Visa Card or PIN, we will:
1. give you copies of any documents or other evidence we relied upon; and
 2. advise you in writing whether or not there was any system or equipment malfunction at the time of the relevant transaction.
- h. If we fail to carry out these procedures or causes unreasonable delay in resolving your complaint, we may be liable for part or all of the amount of the disputed transaction where that failure or delay has prejudiced the outcome of the investigation.

20. Transaction and other fees

- a. We will advise you whether we charge a fee, and the amount of such fee, for:
 - any transactions;
 - issuing the Visa Card or any additional or replacement Visa Cards;
 - using the Visa Card;
 - issuing the PIN or any additional or replacement PIN;
 - using the PIN;
 - issuing account statements; or
 - any other service provided in relation to the Visa Card.
- b. We will also advise you whether we will debit any of your Linked Accounts with Government charges, duties or taxes arising out of any transaction.
- c. The fees and charges payable in respect of the Visa Card are detailed in our *Fees & Charges Deposit Accounts* brochure, which forms part of our disclosure documents for the Visa Card.
- d. You may be charged an ATM withdrawal fee that is directly charged by the ATM operator and debited directly from your account. You should carefully read notices displayed at ATMs as they may contain information about the possible imposition of fees by ATM operators.

21. Exclusions of warranties and representations

- a. We do not warrant that Merchants displaying Visa signs or promotional material will accept the Visa Card in payment for goods and services. You should always enquire beforehand before selecting goods or services.
- b. We do not accept any responsibility should a Merchant, bank or other institution displaying Visa signs or promotional material, refuse to accept or honour the Visa Card. We do not warrant that EFT Terminals displaying Visa signs or promotional material will accept the Visa Card.
- c. We are not responsible for any defects in the goods and services acquired by you through the use of the Visa Card. You acknowledge and accept that all complaints about these goods and services must be addressed to the supplier or Merchant of those goods and services.
- d. Subject to any warranty which is imported into these Conditions of Use by law and which cannot be excluded, the Verified by Visa service is provided by us

“as is” without warranty of any kind, either express or implied, including, but not limited to, any implied warranties of merchantability, fitness for a particular purpose, title or noninfringement.

- e. We will not be liable for any damages whatsoever arising out of or in relation to:
 - i. your use of or access to (or inability to use or access) the Verified by Visa services; or
 - ii. any other failure of performance, error, omission, interruption or defect, or any loss or delay in transmission or a transaction.
- f. If you are dissatisfied with any aspect of the Verified by Visa service, your sole and exclusive remedy is to terminate participation in the Verified by Visa transaction or service, as provided in these Conditions of Use.
- g. Where you have authorised a Merchant to transact on the account by providing your Visa Card number or used your card to make a purchase, you may be entitled to reverse (chargeback) the transaction where you have a dispute with the Merchant. For example, you may be entitled to reverse a transaction where the Merchant has not provided you with the goods or services you paid for and you have tried to get a refund from the merchant and were unsuccessful. To avoid losing any rights you may have for transactions other than unauthorised EFT Transactions you should:
 - tell us within 30 days after the date of the statement which shows the transaction; and
 - provide us with any information we ask for to support your request.

Please contact us for more information about your chargeback rights.

22. Malfunction

- a. You will not be responsible for any loss you suffer because an EFT Terminal accepted an instruction but failed to complete the transaction.
- b. If an EFT Terminal malfunctions and you or your Additional Cardholder should have been aware that the EFT Terminal was unavailable for use or malfunctioning, we will only be responsible for correcting errors in your Linked Account and refunding to you any charges or fees imposed on you as a result.

23. Regular Payment Arrangements

- a. You should maintain a record of any Regular Payment Arrangement that you have entered into with a Merchant.
- b. To change or cancel any Regular Payment Arrangement you should contact us or the Merchant at least 15 days prior to the next scheduled payment. If possible you should retain a copy of this change/cancellation request.
- c. Should your Visa Card details be changed (for example if your Visa Card was lost, stolen or expired and has been replaced) then you must request the Merchant to change the details of your existing Regular Payment Arrangement to ensure payments under that arrangement continue. If you fail to do so your Regular Payment Arrangement may not be honoured, or the Merchant may stop providing the goods and/or services. Should your Visa Card or Linked Account be closed for any reason, you should immediately contact the Merchant to change or cancel your Regular Payment Arrangement, as the Merchant may stop providing the goods and/or services.

24. Digital wallet terms of use

These terms apply to the use by you of a Visa Card in a Digital Wallet. By registering a Visa Card in a Digital Wallet you agree to these terms.

- a. **Account or Cardholder Terms and Conditions**
The terms and conditions of your Visa Card/Account apply to any use by you of your Visa Card in a Digital Wallet. To the extent of any discrepancy, the terms and conditions of the Visa Card/Account take precedence over these terms. You may also have additional terms issued by your Digital Wallet provider or your telecommunications service provider which you are required to comply with.
- b. **Your responsibilities to keep your Visa Card secure and notify us of errors or fraud**
You agree to protect and keep confidential your User ID, phone lock passcode, passwords, and all other information required for you to make purchases with your Visa Card using the Wallet. Always protect your passcode by using a unique number or pattern that is not obvious or can be easily guessed. Take precautions when using your Digital Wallet. Try to memorise your passcode or carefully disguise it. Never keep a record of your passcode with your device, on your device or computer, or tell anyone your passcode. If your Device

has been lost or stolen, or you believe your security credentials have been compromised, you must report this to us immediately. Your existing terms and conditions for your Visa Card/Account require you to contact us immediately if you believe there are errors or if you suspect fraud with your Visa Card. This includes any fraud associated with a Digital Wallet. We will not be liable for any losses you incur except as specifically described in the terms and conditions for your Visa Card/Account or as otherwise provided by law.

c. Using a Wallet

Registration of the Visa Card into a Digital Wallet is subject to us identifying and verifying you, and is at the discretion of MyState Bank Limited. MyState Bank Limited does not make any guarantees that the Digital Wallet will be accepted at all merchants. MyState Bank Limited is not the provider of the Digital Wallet and is not responsible for its use and function. You should contact the Digital Wallet provider's customer service if you have questions concerning how to use the Digital Wallet or problems with the Digital Wallet. We are not liable for any loss, injury or inconvenience you suffer as a result of a merchant refusing to accept the Digital Wallet. We are not responsible if there is a security breach affecting any information stored in the Digital Wallet or sent from the Digital Wallet. This is the responsibility of the Digital Wallet provider.

d. Applicable Fees

There are no transaction fees for using your Visa Card in a Digital Wallet. All applicable account fees still apply. There may be charges from your telecommunications provider.

e. Suspension or removal of a Visa Card from a Digital Wallet by us

We can block you from adding an otherwise eligible Visa Card to the Digital Wallet, suspend your ability to use a Visa Card to make purchases using the Digital Wallet, or cancel entirely your ability to continue to use a Visa Card in the Digital Wallet. We may take these actions at any time and for any reason, such as if we suspect fraud with your Visa Card, if you have an overdue or negative balance on your Visa Card account, if applicable laws change or if directed to do so by the Digital Wallet provider or the applicable card scheme. We may also cease supporting the use of Visa Cards in Digital Wallets at any time.

f. Suspension or removal of a Visa Card from a Digital Wallet by you

You may remove a Visa Card from the Digital Wallet by

following the Digital Wallet provider's procedures for removal.

g. Devices with same Digital Wallet provider account

If you add a Visa Card to one of your devices and have other devices sharing the same account ("Other Devices"), this may permit the Visa Card to be added to the Other Devices and permit users of the Other Devices to see Visa Card information. Please contact your Digital Wallet provider for more information.

h. Your information

You agree that we may exchange information about you with the Digital Wallet provider and the applicable card scheme (such as Visa) to facilitate any purchase you initiate using a Visa Card registered in a Digital Wallet. By registering your Visa Card in a Digital Wallet, you are providing consent for your information to be shared with these parties. We may also share your information to make available to you in the Digital Wallet information about your Visa Card transactions, or to assist the Digital Wallet provider in improving the Digital Wallet. We are not responsible for any loss, injury or other harm you suffer in connection with the Digital Wallet provider's use of your information.

i. You agree to allow us to contact you electronically

You acknowledge that we may contact you electronically (for example via sms, email, notifications in app), and that this is considered written notice for the purpose of these terms.

j. We may amend these terms at any time

We may amend these terms at any time without prior notice. We will notify you in writing of any changes to these terms. You agree to any such amendments by continuing to keep a Visa Card in the Digital Wallet.

25. Changes to conditions of use

a. We reserve the right to change these Conditions of Use from time to time, for one or more of the following reasons:

1. to comply with any change or anticipated change in any relevant law, code of practice, guidance or general banking practice;
2. to reflect any decision of a court, ombudsman or regulator;
3. to reflect a change in our systems or procedures,

- including for security reasons;
 - 4. as a result of changed circumstances (including by adding benefits or new features);
 - 5. to respond proportionately to changes in the cost of providing the Visa Card; or
 - 6. to make them clearer.
- b. We will notify you in writing at least 30 days before the effective date of the change if we will:
- 1. impose or increase any fees or charges for the Visa Card;
 - 2. increase your liability for losses; or
 - 3. impose, remove or adjust daily or other periodic transaction limits applying to the use of the Visa Card, PIN, your Linked Account(s) or Electronic Equipment.
- c. We will notify you of other changes no later than the day the change takes effect by advertisement in the national or local media, notice in a newsletter or statement of account, individual notice sent to you or in any other way permitted by law.
- d. We are not obliged to give you advance notice if an immediate change to these Conditions of Use is deemed necessary for the security of the EFT System or individual accounts.
- e. When the Visa Card is used after notification of any such changes, you accept those changes and use of the Visa Card shall be subject to those changes.

26. Privacy and confidentiality

We collect personal information about you or your Additional Cardholder for the purpose of providing our products and services to you. We may disclose that personal information to others in order to execute any instructions, where we reasonably consider it necessary for the provision of the Visa Card, Verified by Visa service or the administration of your Linked Account(s), or if it is required by law. You represent that, in supplying us with personal information about your Additional Cardholder, you have authority to do so and will inform them of the contents of this clause.
